

North County Flu Shot and Childhood Immunization Clinic

- WHO:** Aviva Health
- WHAT:** Flu Shots and Children's Immunizations
(No appointment necessary)
- WHERE/WHEN:** *Yoncalla High School*
Monday, Dec. 6, from 8:30 a.m. to 11:30 a.m.
- Elkton High School*
Monday, Dec. 6, from 1:30 p.m. to 4:30 p.m.

WHY:

Flu Vaccine

- Flu vaccine prevents millions of illnesses and flu-related doctor's visits each year
- Flu vaccination can reduce the risk of flu-associated hospitalization for children, working-age adults, and older adults

Recommended Childhood Immunizations

- Immunizations are among the safest medicines available today and have resulted in the near eradication of many life-threatening diseases.
- Immunizations not only protect your child from diseases like measles, polio, tetanus, and diphtheria, but also keep other kids safe by greatly decreasing the chance that deadly diseases spread

Insurance will be billed. For those who are uninsured or underinsured, services are available on a sliding-fee scale based on monthly income. Financial assistance may also be available through existing public health programs.

ABOUT AVIVA HEALTH

Founded in 1992, Aviva Health is an independent, board-governed, not-for-profit organization that cares for the people of Douglas County by providing high-quality, patient-centered, accessible and affordable medical, dental and behavioral health care, regardless of their ability to pay. As an Oregon Health Authority recognized Patient-centered Primary Care Home, Aviva Health offers integrated services from 10 clinic sites in Roseburg, Myrtle Creek, Sutherlin, Glide and North Douglas County (Drain), including a Teen Health Center located on the campus of Roseburg High School. Aviva Health also operates two Mobile Medical Units assigned to the organization by the Douglas County Commissioners that bring access to a variety of health services to medically underserved areas of the county. In 2020, Aviva Health, in partnership with Mercy Medical Center, launched the Roseburg Family Medicine Residency Program where physicians train over a three-year period to provide exceptional clinical care to children and adults living in rural locations.
