Jerry Bruce Community Campus Non-profit Partners to Hold Second Annual Spring Family Fair and First-ever Charity Golf Scramble

ROSEBURG, Ore. – Jerry Bruce Community Campus (JBCC) partner organizations Family Development Center, The FISH Food Pantry, Umpqua Homes, Inc., United Community Action Network, and Aviva Health are holding the second annual Spring Family Fair Saturday, May 4, from noon to 3 p.m. in the Aviva Health parking lot just north of Costco in Roseburg.

This year, event organizers have also added a charity golf scramble to the weekend activities, which takes place Sunday, May 5, with a 9 a.m. shotgun start at Bar Run Golf & RV Resort.

Proceeds from the weekend events, whose title sponsor is Umpqua Health, benefit JBCC partner organization UHI, which offers a variety of important programs and services to community members with differing abilities.

The Spring Family Fair features fun, free activities for children and adults including an obstacle course, henna tattoos, face painters, balloon art, and performances by Halau Hula Aulani and a local belly dancing club, among others. Food is available for purchase from Wailani Shave Ice, Relished Dog, Best Lemonade in Town, and Granny's Mini Hut.

Sunday's golf scramble, which is already sold out, will offer cash prizes to the top three low-score teams, and players will also have a chance to win \$5,000 should they score an ace on the par-3 15th hole.

Last year's inaugural Spring Family Fair was attended by more than 1,000 community members, and organizers are hopeful for an even better turnout for 2024.

ABOUT THE JERRY BRUCE COMMUNITY CAMPUS

In the early 2000s, Jerry Bruce and a cadre of like-minded community leaders had a vision for a non-profit community campus that was home to a variety of community-based organizations, each providing programs and services to address over-represented needs in the community.

Jerry set in motion a planning and fundraising effort that quickly gained traction in the community, allowing for the purchase of land on the north end of Stephens Street in Roseburg.

Today the campus is home to Family Development Center, FISH Food Pantry, UHI, UCAN, and Aviva Health. Together, the non-profit organizations offer programs that strengthen families, prevent child abuse, address food insecurity, support people with intellectual and developmental disabilities, childcare, address economic disparities, and fully integrated, comprehensive health care.

True to Jerry's vision, the organizations work collaboratively to ensure Douglas County residents – irrespective of the challenges they may face – have a one-stop-shop solution for the myriad challenges they face, empowering them to live better, stronger, healthier, and stable lives.
