

DENTAL CLINIC Sliding Discount Fee Schedule Information & Application

What is the Sliding Discount Scale Fee Schedule?

The Sliding Discount Scale Fee Schedule (SDS) is part of a federal program (Federally Qualified Health Centers - FQHC) that allows Aviva Health to discount normal charges for dental visits for our qualifying patients based on household size and household income. (Note that Lab Fees are not eligible for this discount). In order to qualify for the program, patients must provide proof of income below 200% of the current federal poverty level (see chart).

HOUSEHOLD SIZE	Sliding Discount Scale MONTHLY INCOME LEVEL (UPDATED AS OF February 1, 2025)				Private Pay

Sliding Scale Patient Responsibility	A = 10%	B = 20%	C = 40%	D = 70%	* Full Fee *

The Sliding Discount Fee is available to all patients. If you have insurance coverage, Aviva Health is required by the FQHC program to bill your insurance for your dental visit charges. You may be responsible for insurance co-pay in this situation. You may submit an application for the Sliding Discount Scale Fee to apply to the patient responsibility portion of the charges.

Depending on household size and household income, dental patients are assigned a responsibility tier of 10%, 20%, 40%, 70% or 100% of the fees normally charged for a dental visit.

Patients that qualify for the discounted fees are expected to pay the discounted fee at the time of service unless other arrangements have been made.

How do I know if I qualify for the Sliding Discount Scale Fee?

By federal law, qualification for the Sliding Discount Scale is based on two factors, household size and income. In order to determine whether you will qualify for a discounted fee, follow the directions below:

- 1. Find the row on the attached chart that lists the number of individuals in your household. This number should include yourself, your spouse/partner, and children If you are providing more than 50% financial support for other related individuals who reside full-time in your household you may count them as well (grandchildren, grandparents, nieces/nephews, aunts/uncles, etc.)
- 2. Next, find your gross household income range (before taxes) on the attached chart, either by month, week, or annual basis. You must include the income of all adult members (18 years or older) of the household if an adult member of your household is not currently receiving any form of income, you will be asked to sign a formal statement as part of the application declaring zero income for that individual.

The column that matches the number of qualifying household individuals and gross income will show the discount for which you qualify and the nominal fee charged for that discount category at the bottom of the column.

Note: If you are currently eligible for and receiving benefits from Oregon's Temporary Assistance for Needy Families (TANF) or Supplemental Nutrition Assistance Program (SNAP), you automatically qualify for a 30% Discount upon completion of the SDS application. If you are eligible for a greater discount based on household size and household income, you will need to include proof of income as detailed below. Be sure to bring a copy of your TANF and/or SNAP benefit letter when you submit your SDS application as you may qualify for a greater discount.

How often do I have to re-apply to continue receiving the Sliding Discount Scale Fee?

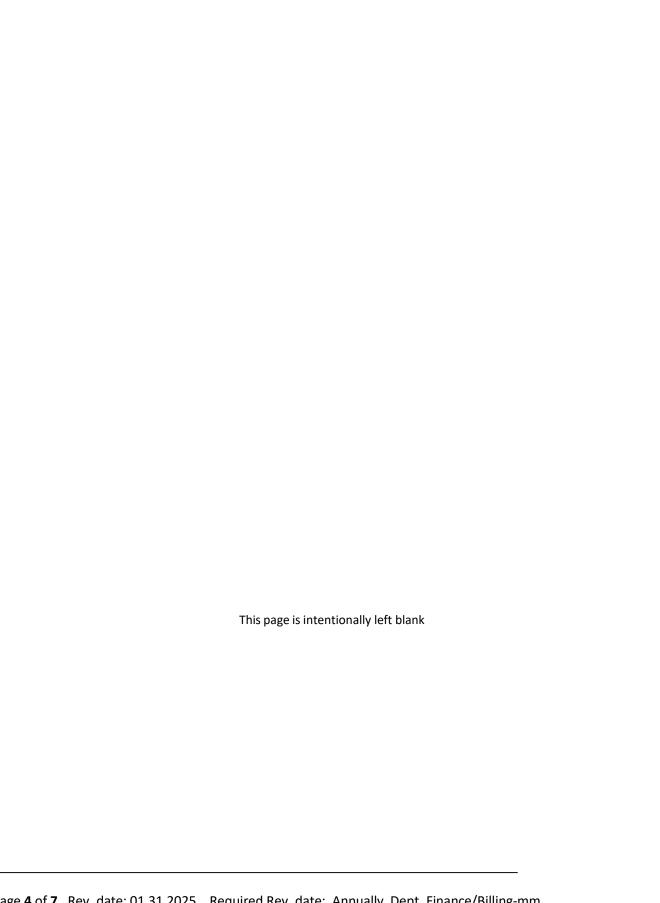

Once approved by Aviva Health, your SDS eligibility is good for up to one year from the date of application, based on source of income. Information must be updated if your household size or household income changes. At a minimum, a new application must be completed every 12 months in order to continue receiving the Discounted Fee.

Please note that without proof of income, Aviva Health cannot, by federal law, allow patients to claim the Discounted Fee. We are required to have on file proof that we verify income for each SDS applicant who receives the Discounted Fee and are subject to federal audits that check for compliance with this requirement. If we are unable to verify income within 30 days of your application, you will be responsible for the full fee amount of your dental visit. If you have any questions about the Sliding Discount Scale Fee or other assistance programs, please ask to speak with our receptionists.

Sliding Discount Fee Schedule Application

It is the policy of Aviva Health to provide patient-centered primary care regardless of the patient's ability to pay. Discounts are offered based upon household income and the number of persons living in the household. A sliding fee schedule is used to calculate the basic discount and is updated each year using federal poverty guidelines. Once approved, and based on your source of income, the discount will be honored for up to one year from the date of application, after which the patient must reapply.

A completed application including verification of income must be on file and approved by the business office before a discount will be applied. If the applicant is eligible for other assistance programs, such as the Oregon Health Plan, Aviva staff is available to assist the applicant with applying for these in addition to the Sliding Discount Fee Schedule offered by Aviva Health.
