## Jerry Bruce Community Campus Non-profit Partners to Hold Annual Spring Fair and Charity Golf Scramble

**ROSEBURG, Ore.** – Jerry Bruce Community Campus (JBCC) partner organizations Family Development Center, The FISH Food Pantry, Umpqua Homes, Inc., United Community Action Network, and Aviva Health are holding the fourth annual Spring Fair Saturday, May 2, from noon to 3 p.m., in the Aviva Health parking lot just north of Costco in Roseburg.

For the third year in a row, event organizers are also hosting a charity golf scramble, which takes place Sunday, May 3, with a 9 a.m. shotgun start at Bar Run Golf & RV Resort.

Proceeds from the weekend events, whose sponsors include Umpqua Health, Oregon Pacific Bank, CHI Mercy Health Mercy Medical Center, the Rotary Club of Roseburg, and Rogue Credit Union, benefit JBCC partner organization United Community Action Network.

The Spring Fair features fun, free activities for children and adults, including the Thundering Water WOW Truck, balloon artists, face painting, henna tattoos, and food trucks offering snacks, meals and drinks for purchase.

Thanks to a generous donation by the Rotary Club of Roseburg, children attending the Spring Fair will receive a ticket for a free meal from the food truck of their choice while supplies last.

Sunday's golf scramble will offer cash prizes to the top three low-score teams, and players will also have a chance to win \$5,000 should they score an ace on the par-3 15<sup>th</sup> hole. Spots in the tournament are still available, and individuals can register online at [www.birdease.com/jbcccharitygolf](http://www.birdease.com/jbcccharitygolf).

Last year's Spring Fair was attended by more than 1,000 community members, and organizers are hopeful for an even better turnout for 2026.

### ABOUT THE JERRY BRUCE COMMUNITY CAMPUS

In the early 2000s, Jerry Bruce and a cadre of like-minded community leaders had a vision for a non-profit community campus that was home to a variety of community-based organizations, each providing programs and services to address over-represented needs in the community.

Jerry set in motion a planning and fundraising effort that quickly gained traction in the community, allowing for the purchase of land on the north end of Stephens Street in Roseburg.

Today the campus is home to Family Development Center, FISH Food Pantry, UHI, UCAN, and Aviva Health. Together, the non-profit organizations offer programs that strengthen families, prevent child abuse, address food insecurity, support people with intellectual and developmental disabilities, childcare, address economic disparities, and fully integrated, comprehensive health care.

True to Jerry's vision, the organizations work collaboratively to ensure Douglas County residents – irrespective of the challenges they may face – have a one-stop-shop solution for the myriad challenges they face, empowering them to live better, stronger, healthier, and stable lives.
